Northwestern Medical Center, Northwestern Counseling & Support Services and the United Way of Northwest Vermont have joined forces to combine three popular tournaments into one spectacular event called the "Community Partners Classic." This event provides an opportunity for local businesses to capture a hole in one by helping three organizations in one shot.

Join us in making the premier golf outing in Northwestern Vermont...a true community celebration!

If the course is unplayable, golfers will receive a voucher to play a round with a cart at their convenience during the remainder of the 2016 season.
